Concept Of Operations

Public Order Units will stage in the designated areas. POU team #1 will provide site Security to the Processing area. If required POU teams will create cordons at their posts should there be a surge of demonstrators that attend.

The trucks are all parked on Nicholas facing North bound in two lanes from median to curb between Laurier Ave W and Waller St.

Heavy PLT to engage the truckers. Soft hats to make arrests. Traffic to ensure road closures and assist with the towing plan.
